THE MOTTO OF GRACE THEOLOGICAL SEMINARY AND COLLEGE

The motto of Grace Theological Seminary, from the time of its organization has been: "To know Christ and make Him known as Saviour and Lord of life." This purpose has dominated the teaching program in the classroom. It also dominates the ministry of the faculty as it extends beyond the school.

It is in keeping with our desire to serve Christ and the church through every means at our disposal that a sizable number from the administration and faculty of Grace Seminary and College have made themselves available during the school year and throughout the vacation periods as time and distance permit.

In order that you may know more about this service Grace is providing, the varied ministries for which each is available are listed. Any church desiring to contact a faculty member may do so directly by addressing him (or her) at Winona Lake, Indiana.

GOD'S ORDINATION

should receive a suitable honorarium for their work.
"They that preach the gospel shall live of the gospel."
This is God's ordination.

Meet the Faculty

President and Mrs. Alva J. McClain

President and Mrs. Alva J. McClain have been a vital
part of Grace Theological Seminary from its very begin-
ning in 1937 at Akron, Ohio. Two year later they moved
to Indiana when Winona Lake became the permanent
home of the school.

In addition to his responsibilities as president Dr.
McClain has served from the beginning as professor of
Systematic Theology. For a number of years Mrs. Mc-
Clain worked without salary as bookkeeper.

Early in his ministry Dr. McClain was called as pastor
of the First Brethren Church of Philadelphia, Pa. For
several years he was also on the faculty of the Philadel-
phia School of the Bible. He held successively positions
in Ashland College, The Bible Institute of Los Angeles,
and Ashland (Ohio) Theological Seminary, and he served
as dean and professor of Theology and Apologetics there
until the organization of Grace Theological Seminary.
